

Evaluation Comenius project meeting in Germany 05.04.-10.04.2014

Comments:

We are totally covered in every step of the organisation.

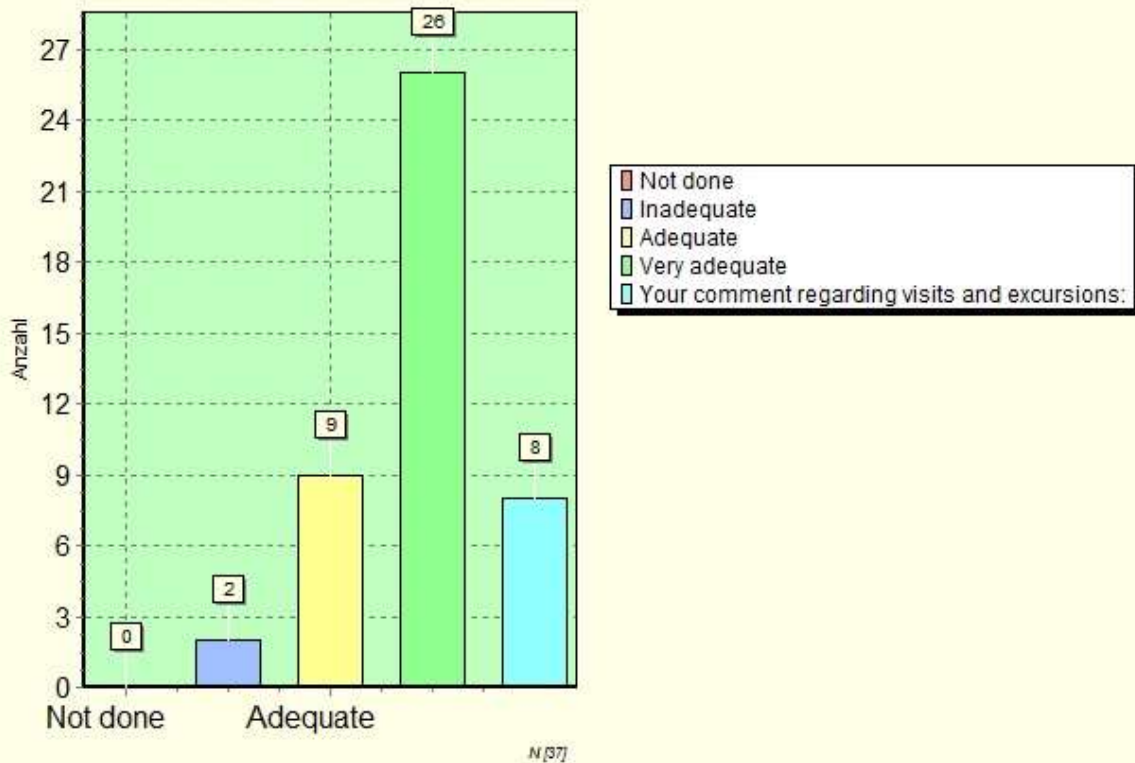

Good work, intensive working but definitively less time !

part of my job was not submitted

we have done a very good job

We've been working for months and the result was awesome.

Visits and excursions

Comments:

the village was wonderful.

The farm excursion was the best one.

the farmville excursion was my favorite.

Great ! Many places ! Even travelled to other city's to see more of Germany

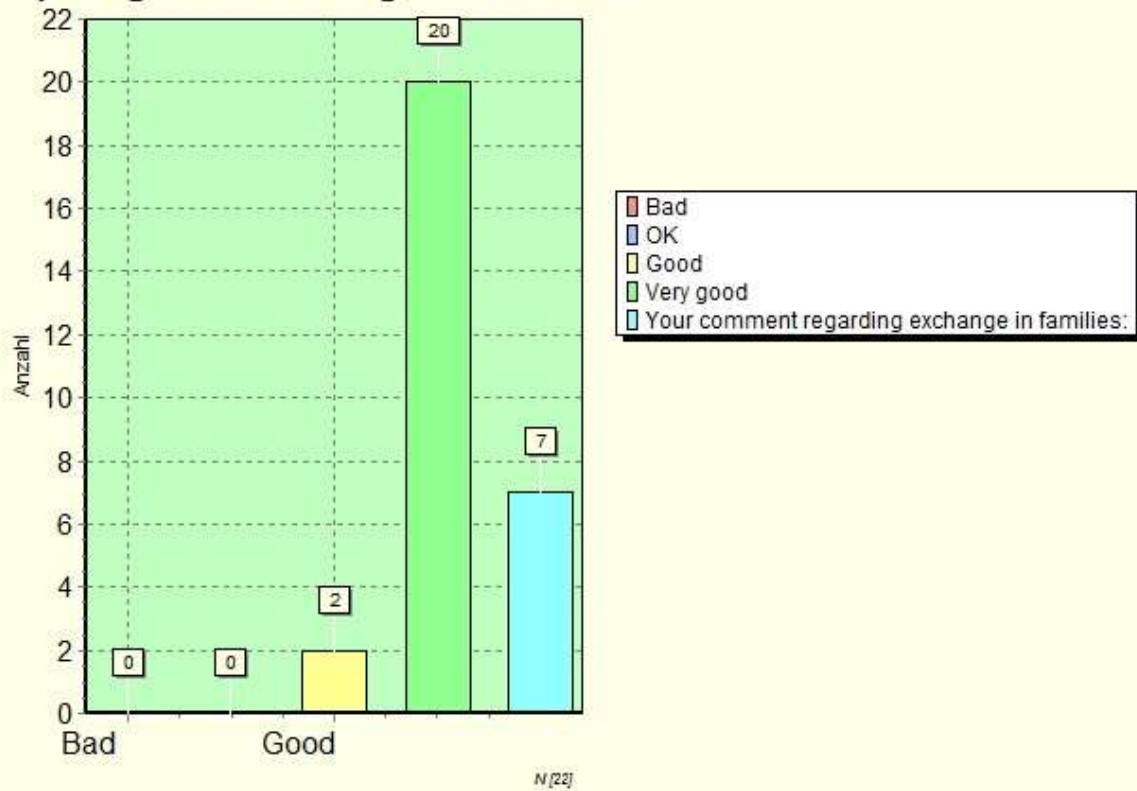

Some unproductive

there was some places we weren't interested in.

We should only have one day of presentations.

Too much

Comments:

they loved me and so did I.

My mother loved him ! He's now part of our family like me in his family.

My german family were very nice so i had a great time there

How was your personal experience?

Comments:

I wanna do that one more time

I am happy to be there.

I am really happy to be a part of the organisation.

I think everything was equally balanced and nothing's left. That was perfect

So thankful of participating in this project. I learned so much and met people in life, I would have never met ! Now I have connections to other countries and relationships to great people !

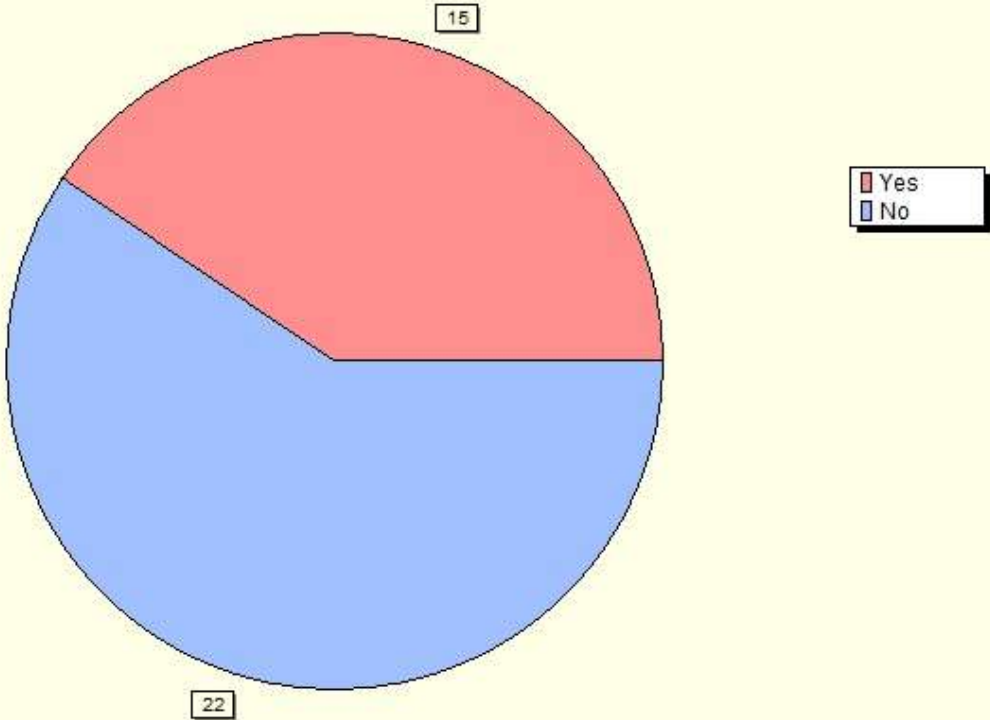

i have learnd a lot!

megagood

I've enjoyed a lot!

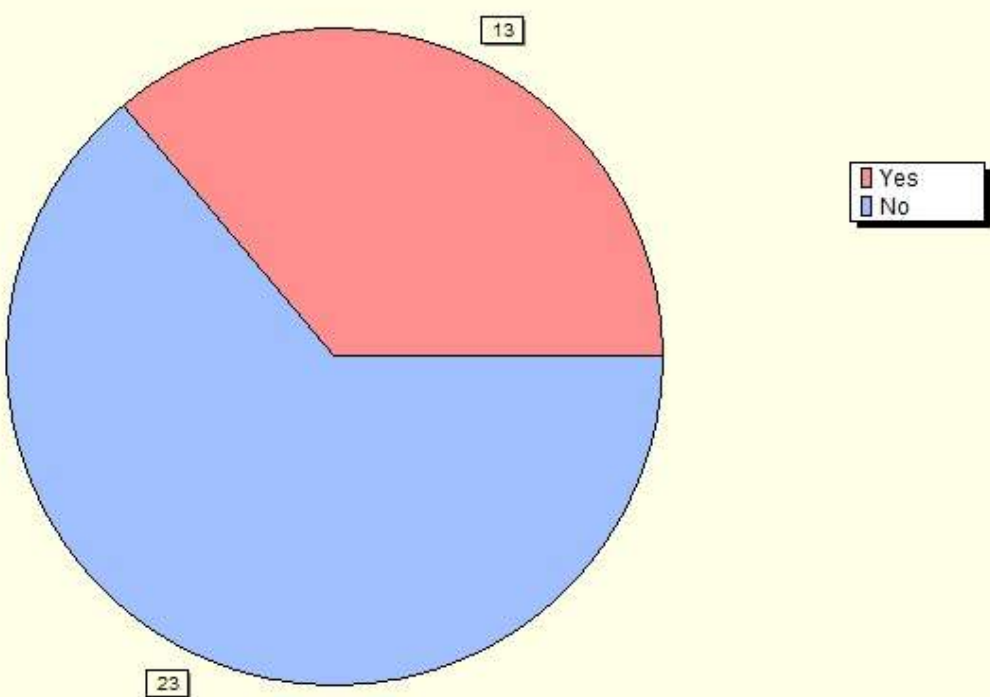

It was truly amazing!
